Parent Expectation Contract

This year, as well as being in the AASSA league, Colegio Alberto Einstein has been accepted as a full member of the QISSA league. This is an honor and is a significant step in the development of our extra-curricular sports program.

The QISSA league is founded on the basis of integrity, honesty and professionalism. The league offers the students the opportunity to play in 3 different sports, and has a philosophy that promotes social integration, friendship, and sportsmanship. This philosophy must be upheld by not only the students, but also by coaches, parents and administration. It is very important that all parents, students, and fans attending the games respect the rules of the host school, and demonstrate exceptional behavior during moments of both success, and challenge.

I pledge to uphold the rules of the QISSA and AASSA leagues, and to demonstrate exceptional behavior and sportsmanship at all times.
